

Inter-Network Collaboration

Great news for the RIEPP and the evaluation community, is that thanks to the friendly collaboration of Caribbean Evaluators International, the RIEPP newsletter will also be available in English starting in September. In this way, we hope information from the evaluation world can reach a wider audience. Many thanks to our friends from Caribbean Evaluators International!

Evaluation course in Cartagena

AGENCIA
ESPAÑOLA DE
COOPERACIÓN
INTERNACIONAL PARA EL
DESARROLLO

The Spanish Agency for International Development Cooperation (AECID in Spanish) will host the Public Policy Evaluation Course: Equity, Efficiency and Impact in November at its Training Center in Cartagena de Indias, Colombia. The course will address different evaluation techniques for public policies related to income and expenses, with the goal that these techniques will be used to achieve more efficient and equitable budgeting, expenditures, and tax policy design.

CONEVAL Receives Recognition

At the IX International Seminar of the Managing for Results in Sub National Governments Network of Latin America and the Caribbean, the Inter-American Development Bank recognized CONEVAL with the 2016 Managing for Development Results Award in the monitoring and evaluation category (at the national level). They were also recognized for their project, *Implementing a Methodology for the Approval of Social Program Indicators*, whose objective is to establish a process to evaluate whether the outcome, output, and performance indicators of federal government social programs meet the criteria necessary to measure program objectives within a specific timeframe, thus providing evidence of their achievements.
